RECOMMENDATION

Mr. Sunil Vora had been associated with us with respect to the insurance recovery of our claim for Rs:6.70 crores following the fire at our perfumery warehouse at Khambalpada, Dombivali Ind Estate, Dombivali, MIDC Kalyan 421203 on March 09, 2023

Mr. Vora had built and presented the case with professional expertise, with deep underlying domain knowledge and with complete confidence. He delved into the technical details of the structure, the machinery and other assets; drafted the expert structural, civil and machinery reports which were ten presented to the Insurers and their Surveyors. He also interacted with the structural consultants, the civil engineers, the building contractors, the machinery manufacturers and the machinery suppliers.

Mr.Vora studied and delved into the financial reports, the inventory records and stock accounts. He directed the collection of debris, the separation of inventory stock from the debris and the collation of the same with book inventory.

The Policy clauses were all exploited to maximize all legitimate recovery.

He also led all discussions with the Insurers and the Surveyors.

We have had a successful recovery of claim under our Policy

The recommendation is to acknowledge his contribution to the claim recovery process, which, frankly, was everything.
